

Spring Celebration 2026

Today's teachers deserve our support more than ever as they work to meet the changing needs of students in a 21st-century world. That's where the Moline Public Schools Foundation (MPSF) comes in and where you can make a difference.

Each year, MPSF awards grants directly to teachers across the Moline-Coal Valley School District to fund creative classroom projects and innovative learning opportunities that district budgets often cannot cover. Our teacher grants total nearly \$55,000 annually, reaching students from preschool through high school. These grants have supported everything from mariachi guitars, Spanish-language books, and flexible seating to 3D printers, and STEM learning kits.

We invite you to join us as a sponsor for our annual Spring Celebration, held from 6 to 9 p.m. on Thursday, May 7, at Old Oaks Winery. All event proceeds go directly to our teacher grant program to fund classroom projects for the 2026–27 school year. Teachers count on MPSF to bring their big ideas to life.

In addition to the 175–200 guests who attend in person, your sponsorship will be highlighted to nearly 1000 email subscribers and 1,600 social media followers, providing excellent community visibility and recognition for your support.

Sponsorship levels and benefits are outlined in the following pages. Thank you for considering this opportunity to invest in our teachers and the future of our students.

With gratitude,
Steffani Fielder
Executive Director
Moline Public Schools Foundation

Sponsorship levels
